#### HIGHLIGHTS OF DME WORKSHOP WITH DOM/MCO's

- Representatives from DOM, Magnolia, EQ Health Solutions and United Health Care were present.
- Discussion about payment issues discussed. The key topics of payment issues revolve around the manual pricing methods. It became clear that there is still “not clear” understanding of DOM’s policy regarding the “payment process.”
  - Action item: DOM will conduct private meeting with both MCO’s individually in the near future to address processing methods.
- Discussion regarding what constitutes MSRP (manufacturer suggested retail pricing) Pg. 9-10 of Administrative Code Title 23, Part 209
  - Action item: It was stated that the supplier/providers should continue to submit per the manual pricing policy and the MCO’s will “honor” the pricing mechanism as written in the Administrative Code referenced above.
